## PROFESSIONAL EXPERIENCE

### **Staff Nurse, Charge Nurse, and Preceptor**

13K Adult Medical and Surgical  
Oncology  
*August 2015 - Present*

Professional staff nurse on a 30 bed unit serving acute and intermediate level oncology patients with a wide array of complex diagnoses. Served as charge nurse on night shift since July 2017. In this position I have worked diligently to build positive team dynamics, guide superior care, manage staffing, develop interprofessional communication, mentor and educate staff, and most importantly, provide positive experiences for patients and their families.

### **13K Glycemic Champion**

*January 2016 - Present*

Champion for night shift staff and member of a hospital-wide, interprofessional nurse driven group which focuses on increasing staff knowledge surrounding glycemic control for OHSU patients. Work to date includes: updating education material, policy development, staff feedback, PSI reviews, and staff mentoring.

### **Graduate Nurse Technician and Student Technician**

Portland VA Medical Center  
*December 2013 - July 2015*

Provided nursing care to veterans on an inpatient neurological and telemetry floor. Communicated effectively with staff, preceptors, management, and care team as patient conditions changed; gained experience working with patients with disease trajectories impacted by mental health and psychosocial issues

### **Professional Nurse Extern MD Anderson Cancer Center-**

Houston, Texas  
*May 2014 - August 2014*

Provided full care on the Lymphoma and Multiple Myeloma Unit at the world's largest Cancer Center. This summer externship provided education and training for new nurses and had a focus on oncology education, integrated care systems, professional development, and nurse leadership.
